

CLAIMS & DISPUTE MANAGEMENT SERVICES

COMPANY PROFILE

CLAIMS & DISPUTE MANAGEMENT

We deliver personalised solutions to meet our client's needs. Located in Dubai, we serve clients across the Middle East and beyond.

We offer the full remit of dispute resolution, claims consulting and contract and commercial management service.

Expertise in the handling of disputes, and the resulting claims that may arise in complex and diverse construction projects.

EXPERT WITNESS

An Expert Witness provides opinion using their experience on the subject matter in dispute.

DISPUTE RESOLUTION & MANAGEMENT

Dispute resolution relies on objective, technical advice and a clear understanding.

CLAIM STRATEGY

The complexity of claims means that competing issues and options must be examined in detail.

RISK MANAGEMENT

The management of commercial and contractual risk in construction and civil engineering works.

CONTRACT ADVICE

Advice on contracts and effects of variations and claims, with particular emphasis on cost control and risk management.

COMMERCIAL MANAGEMENT

Advice and management of contracts, finance, budget, resources, administration, and contractual matters.

ABOUT

White Consulting are a commercial management, dispute resolution and risk management company located in Jumeirah Lake Towers in Dubai. We offer professional services including dispute resolution, claims consulting and commercial management services for a wide range of clients across the Middle East and beyond.

The Founder of White Consulting, Nigel White, is a Chartered Quantity Surveyor. As a commercial management specialist, with a long and distinguished career in the global construction industry, Nigel has managed and directed a range of teams tasked with undertaking major international projects, that include construction, civil engineering, mechanical and electrical, and specialist systems.

As a commercial management specialist, with a long and distinguished career spanning 38 years in the construction industry, working on both building and civil engineering projects, Nigel White has managed and directed teams tasked with complex major international

White Consulting are a commercial management, The inherent complexity and diversity of construction projects means that problems are often encountered during, or after project completion. In line with this, White Consulting offers expertise in the handling of disputes and the resulting claims that may arise. We aim to provide targeted, professional, and ethical services to assist and support our clients in analysing, understanding and resolving construction claims and related technical matters.

White Consulting is able to resource assignments and meet the demands of each Client with specialist personnel and by trusted associations.

Whether you require ongoing support, project specific interventions and analysis, or simply sound advice, please contact us, in confidence, to discuss your requirements.

projects in the fields of: construction, civil engineering, mechanical and electrical and specialist systems. His expertise and knowledge is available to clients through the services of White Consulting.

Nigel is a Member of the Royal Institution of Chartered Surveyors, a Member of the Chartered Institute of Arbitrators MCI Arb and an Accredited Mediator. He also holds a Legal Experience Training Advanced Professional Award in Expert Witness Evidence.

White Consulting specialises in all aspects of dispute resolution, claims consulting and contract and commercial management services across all industry sectors. Our varied client list includes: contractors, sub-contractors, and legal firms.

DIRECTIONS TO WHITE CONSULTING, JUMEIRAH BUSINESS CENTRE 2

From Dubai:

From Sheikh Zayed Road take Exit 32 signed Al Naseem and Al Marsa St. Stay in the right hand lane where the signs will now read Al Marsa, Al Nassem and Al Sarayat St. Follow the signs for Al Sarayat St.

Once on Al Sarayat St in Jumeriah Lake Towers, continue along this road over speed bumps then filter into the second lane on the right directly after the bollards. Remain here passing Cluster Y on your right, and then take the next turning into Cluster V directly opposite the yellow Damas Building. Head up the ramp and at the roundabout you will see Jumeriah Business Centre 2 on the left.

If driving, park in the car park to the right of the tower as you face on. This allows up to 3 hours of parking free of charge.

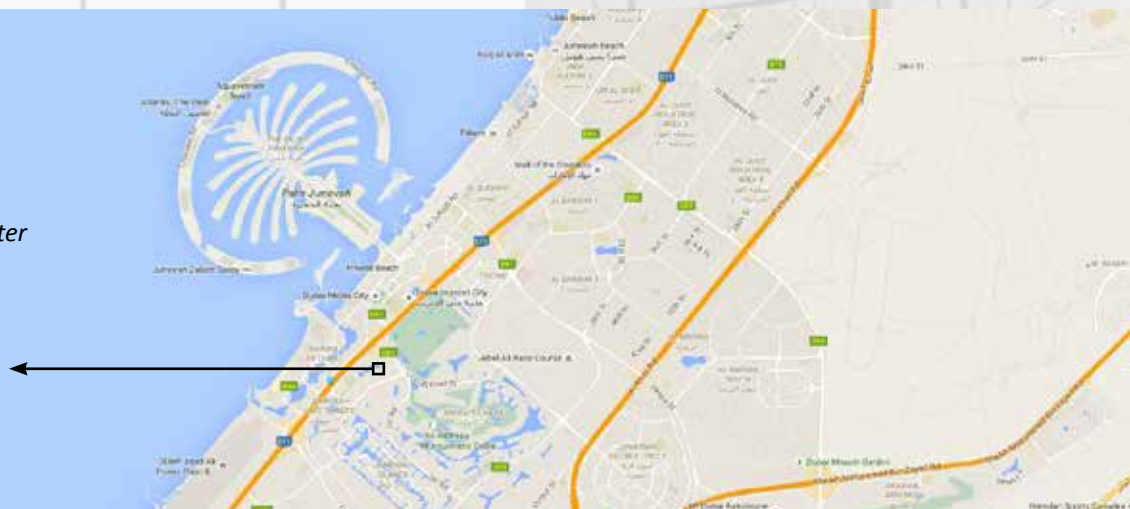

From Abu Dhabi:

Stay in the right hand lane of Sheikh Zayed Road and take exit 32 after Gam Al Sabka St, signposted Dubai Marina, Al Sufouh and Emirates Hills. Remain in the right hand lane and then take the next right into Al Sarayat St.

Once on Al Sarayat St and in Jumeriah Lake Towers, continue along this road, stopping if necessary at the junction. Continue then as above.

Once inside, JBC2 reception will ask you for ID and then issue a pass. Head through the barrier and then take the lift to Floor 37. Mayfair Executive Suites are clearly signed from there.

Our offices are located in the Mayfair Executive Offices in Jumeirah Lakes Towers (JLT) Cluster V. JLT is a dynamic waterfront community in Dubai, UAE, and is conveniently located alongside Sheikh Zayed Road, between Interchanges 5 and 6
